

SOUTHWARK COUNCIL

Town and Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

www.southwark.gov.uk

DECISION NOTICE

LBS Reg. No.: 20/AP/1329

Date of Issue of Decision: 13/05/2021

Applicant Mr Nick Lawrence
Tribe Student Housing Ltd

Planning Permission was GRANTED WITH LEGAL AGREEMENT for the following development:

Demolition of existing buildings and construction of two buildings, one of part 11 and 13 storeys and one of part 13 and 15 storeys, to provide 1,739sq.m (GIA) of commercial floorspace, 250 student accommodation bed spaces (Sui Generis) and 58 residential units, with associated access and highway works, amenity space, cycle parking spaces, disabled car parking spaces and refuse/ recycling stores.

At

313-349 Ilderton Road London Southwark

In accordance with the valid application received on 12 May 2020 and supporting documents submitted which can be viewed on our Planning Register.

For the reasons outlined in the case officer's report, which is also available on the Planning Register.

The Planning Register can be viewed at: <https://planning.southwark.gov.uk/online-applications/>

Conditions

Permission is subject to the following Approved Plans Condition:

1. The development shall be carried out in accordance with the following approved plans:

Reference no./Plan or document name/Rev.

Received on:

Reason:

For the avoidance of doubt and in the interests of proper planning.

Permission is subject to the following Time Limit:

2. The development hereby permitted shall be begun before the end of three years from the date of this permission.

Reason:

As required by Section 91 of the Town and Country Planning Act 1990 as amended.

Permission is subject to the following Pre-Commencements Condition(s)

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

3. No development shall take place, including any works of demolition, until a written CEMP has been submitted to and approved in writing by the Local Planning Authority. The CEMP shall oblige the applicant, developer and contractors to commit to current best practice with regard to construction site management and to use all best endeavours to minimise off-site impacts, and will include the following information:
- o A detailed specification of demolition and construction works at each phase of development including consideration of all environmental impacts and the identified remedial measures;
 - o Site perimeter continuous automated noise, dust and vibration monitoring;
 - o Engineering measures to eliminate or mitigate identified environmental impacts e.g. hoarding height and density, acoustic screening, sound insulation, dust control measures, emission reduction measures, location of specific activities on site, etc;
 - o Arrangements for a direct and responsive site management contact for nearby occupiers during demolition and/or construction (signage on hoardings, newsletters, residents liaison meetings etc.)
 - o A commitment to adopt and implement the ICE Demolition Protocol and Considerate Contractor Scheme; Site traffic - Routing of in-bound and outbound site traffic, one-way site traffic arrangements on site, location of lay off areas, etc;
 - o Site Waste Management - Accurate waste stream identification, separation, storage, registered waste carriers for transportation and disposal at appropriate destinations.
 - o A commitment that all NRMM equipment (37 kw and 560 kW) shall be registered on the NRMM register and meets the standard as stipulated by the Mayor of London

To follow current best construction practice, including the following:-

- o Southwark Council's Technical Guide for Demolition and Construction at <http://www.southwark.gov.uk/construction>
- o Section 61 of Control of Pollution Act 1974,
- o The London Mayors Supplementary Planning guidance 'The Control of Dust and Emissions During Construction and Demolition',
- o The Institute of Air Quality Management's 'Guidance on the Assessment of Dust from Demolition and Construction' and Guidance on Air Quality Monitoring in the Vicinity of Demolition and Construction Sites',
- o BS 5228-1:2009+A1:2014 'Code of practice for noise and vibration control on construction and open sites. Noise',
- o BS 5228-2:2009+A1:2014 'Code of practice for noise and vibration control on construction and open sites. Vibration'

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

- o BS 7385-2:1993 Evaluation and measurement for vibration in buildings. Guide to damage levels from ground-borne vibration,
- o BS 6472-1:2008 'Guide to evaluation of human exposure to vibration in buildings - vibration sources other than blasting,
- o Relevant Stage emission standards to comply with Non-Road Mobile Machinery (Emission of Gaseous and Particulate Pollutants) Regulations 1999 as amended & NRMM London emission standards
<http://nrmm.london/>

All demolition and construction work shall be undertaken in strict accordance with the approved CEMP and other relevant codes of practice, unless otherwise agreed in writing by the Local Planning Authority.

Reason:

To ensure that occupiers of neighbouring premises and the wider environment do not suffer a loss of amenity by reason of pollution and nuisance, in accordance with Strategic Policy 13 'High environmental standards' of the Core Strategy (2011), Saved Policy 3.2 'Protection of amenity' of the Southwark Plan (2007), and the National Planning Policy Framework (2019).

- 4.
- a) Prior to the commencement of any development other than demolition works, a Phase 2 site investigation and risk assessment in relation to groundwater impacts shall be completed in accordance with a scheme to assess the nature and extent of any contamination on the site, whether or not it originates on the site.
 - b) In the event that contamination is present, a detailed remediation and/or mitigation strategy shall be prepared and submitted to the Local Planning Authority for approval in writing to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, controlled waters, buildings and other property and the natural and historical environment. The approved remediation scheme (if required) shall be implemented during the development works.
 - c) Following the completion of the works and measures identified in the approved remediation strategy, a verification report shall be submitted providing evidence that all works required by the remediation strategy have been completed.
 - d) In the event that potential contamination is found at any time when carrying out the approved development that was not previously identified, it

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

shall be reported in writing immediately to the Local Planning Authority, and a scheme of investigation and risk assessment, a remediation strategy and verification report (if required) shall be submitted to the Local Planning Authority for approval in writing, in accordance with a-c above.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other off-site receptors in accordance with saved policy 3.2 'Protection of amenity' of the Southwark Plan (2007), strategic policy 13 'High environmental standards' of the Core Strategy (2011) and the National Planning Policy Framework 2019.

5. Once groundwater levels are identified by on site ground investigation and prior to the beginning of works, the applicant shall submit a Basement Impact Assessment to be approved in writing by the Local Planning Authority. The update should include an assessment of the continuation and fluctuations of groundwater flows, and whether the lowest point of the basement is above, or below the recorded groundwater levels recorded from the ground investigations, and any mitigation measures required. The development and mitigation measures shall be carried out in accordance with the approved details. Further details on preparation of BIA's for flood risk can be found in appendix to Southwark's 2016 SFRA:
<https://www.southwark.gov.uk/environment/flood-risk-management/strategic-flood-risk-assessmentsfra-chapter=2>

Reason: To minimise the potential for the site to contribute to changes in groundwater conditions and any subsequent flooding in accordance with the Southwark Strategic Flood Risk Assessment (2017); And to minimise the potential for the site to contribute to surface water flooding in accordance with saved policy 3.9 Water of the Southwark Plan, Strategic policy 13 of the Core Strategy (2011) and guidance in the Sustainable Design and Construction SPD (2009).

6. Before any work hereby authorised begins, a detailed scheme showing the complete scope and arrangement of the foundation design and all ground works shall be submitted to and approved in writing by the Local Planning Authority and the development shall not be carried out otherwise than in accordance with any such approval given.

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

Reason: In order that details of the foundations, ground works and all below ground impacts of the proposed development are detailed and accord with the programme of archaeological mitigation works to ensure the preservation of archaeological remains by record and in situ in accordance with Strategic Policy 12 - Design and Conservation of The Core Strategy 2011, Saved Policy 3.19 Archaeology of the Southwark Plan 2007 and the National Planning Policy Framework 2019.

7. Before any work hereby authorised begins, the applicant shall secure the implementation of a programme of archaeological evaluation works in accordance with a written scheme of investigation shall be submitted to and approved in writing by the Local Planning Authority.

Reason: In order that the applicants supply the necessary archaeological information to ensure suitable mitigation measures and/or foundation design proposals be presented in accordance with Strategic Policy 12 - Design and Conservation of The Core Strategy 2011, Saved Policy 3.19 Archaeology of the Southwark Plan 2007 and the National Planning Policy Framework 2019.

8. Before any work hereby authorised begins, the applicant shall secure the implementation of a programme of archaeological mitigation works in accordance with a written scheme of investigation, which shall be submitted to and approved in writing by the Local Planning Authority and shall not be carried out other than in accordance with any such approval given.

Reason

In order that the details of the programme of works for the archaeological mitigation are suitable with regard to the impacts of the proposed development and the nature and extent of archaeological remains on site in accordance with Strategic Policy 12 - Design and Conservation of The Core Strategy 2011, Saved Policy 3.19 Archaeology of the Southwark Plan 2007 and the National Planning Policy Framework 2019.

9. Within six months of the completion of archaeological site works, an assessment report detailing the proposals for post-excavation works, publication of the site and preparation of the archive shall be submitted to and approved in writing by the Local Planning Authority and that the works detailed in this assessment report shall not be carried out otherwise than in

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

accordance with any such approval given.

Reason: In order that the archaeological interests of the site are secured with regard to the details of the post-excavation works, publication and archiving to ensure the preservation of archaeological remains by record in accordance with Strategic Policy 12 - Design and Conservation of The Core Strategy 2011, Saved Policy 3.19 Archaeology of the Southwark Plan 2007 and the National Planning Policy Framework 2019.

10. No construction shall take place within 5m of the water main. Information detailing how the developer intends to divert the asset / align the development, so as to prevent the potential for damage to subsurface potable water infrastructure, must be submitted to and approved in writing by the local planning authority in consultation with Thames Water. Any construction must be undertaken in accordance with the terms of the approved information. Unrestricted access must be available at all times for the maintenance and repair of the asset during and after the construction works.

Reason: The proposed works will be in close proximity to underground strategic water main, utility infrastructure. The works has the potential to impact on local underground water utility infrastructure.

11. Details of access for fire appliances as required by part 5B of the Building Regulations and details of adequate water supplies for fire fighting purposes should be provided prior to the implementation of the scheme and should be secured in perpetuity on completion of the scheme.

Reason: To meet the requirements for fire safety set out in policy D12 of the London Plan 2021

Permission is subject to the following Grade Condition(s)

12. Prior to the commencement of any above grade works (excluding demolition), details of swift bricks shall be submitted to and approved in writing by the Local Planning Authority. No less than 18 Swift bricks on the roof of the eastern elevation, and 3 nest boxes for house sparrows in the brick work on the East elevation of Core B and the South elevation of Core

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

A. shall be provided and the details shall include the exact location, specification and design of the habitats. The swift bricks and nest boxes for house sparrows shall be installed with the development prior to the first occupation of the building of which they form a part or the first use of the space in which they are contained. The swift bricks and nest boxes for house sparrows shall be installed strictly in accordance with the details so approved and shall be maintained as such thereafter.

Reason:

To ensure the development provides the maximum possible provision towards creation of habitats and valuable areas for biodiversity in accordance with policy G6 of the London Plan 2021, Policy 3.28 of the Southwark Plan and Strategic Policy 11 of the Southwark Core Strategy.

13. Prior to commencement of any works above grade (excluding demolition), detailed drawings at a scale of 1:5 or 1:10 through:

- i) all facade variations; and
- ii) commercial fronts and residential entrances; and
- iii) all parapets and roof edges; and
- iv) all balcony details; and
- v) heads, cills and jambs of all openings

to be used in the carrying out of this permission shall be submitted to and approved by the Local Planning Authority in writing. The development shall not be carried out otherwise than in accordance with any such approval given.

Reason:

In order that the Local Planning Authority may be satisfied as to the quality of the design and details in accordance with the National Planning Policy Framework 2019, Policy D9 Tall Buildings of the London Plan 2021, Strategic Policy SP12 'Design & Conservation - of the Core Strategy (2011) and Saved Policies: 3.12 Quality in Design; 3.13 Urban Design; and 3.20 Tall buildings of The Southwark Plan (2007).

14. Prior to the commencement of any above grade works (excluding demolition), samples of all external facing materials and full-scale (1:1) mock-ups of the facades to be used in the carrying out of this permission shall be presented on site to the Local Planning Authority and approved in

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

writing. The development shall not be carried out otherwise than in accordance with any such approval given. The facades to be mocked up should be agreed with the Local Planning Authority.

Reason:

In order that the Local Planning Authority may be satisfied that these samples will make an acceptable contextual response in terms of materials to be used, and achieve a quality of design and detailing in accordance with the National Planning Policy Framework 2019, Policy D9 Tall Buildings of the London Plan 2021, Strategic Policy SP12 'Design & Conservation - of the Core Strategy (2011) and Saved Policies: 3.12 Quality in Design; 3.13 Urban Design; and 3.20 Tall buildings of The Southwark Plan (2007)

15. Prior to the commencement of any above grade works (excluding demolition), details of security measures shall be submitted and approved in writing by the Local Planning Authority and any such security measures shall be implemented prior to occupation in accordance with the approved details which shall achieve the 'Secured by Design' accreditation award from the Metropolitan Police.

Reason:

In pursuance of the Local Planning Authority's duty under section 17 of the Crime and Disorder Act 1998 to consider crime and disorder implications in exercising its planning functions and to improve community safety and crime prevention in accordance with The National Planning Policy Framework 2019, Strategic Policy 12 - Design and conservation of The Core Strategy 2011 and Saved Policy 3.14 Designing out crime of the Southwark Plan 2007.

16. Prior to the commencement of any above grade works (excluding demolition), details and 1:50 scale drawings of the secure cycle parking facilities and servicing layout and its relationship with the public highway shall be submitted to be approved in writing by the Local Planning Authority. The cycle parking facilities shall be provided prior to the occupation of the development and thereafter shall be retained and the space used for no other purpose and the development shall not be carried out otherwise than in accordance with any such approval given.

Reason

In order to ensure that satisfactory safe and secure cycle parking facilities are provided and retained in order to encourage the use of cycling as an

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

alternative means of transport to the development and to reduce reliance on the use of the private car in accordance with The National Planning Policy Framework 2019, Strategic Policy 2 - Sustainable Transport of The Core Strategy 2011 and Saved Policy 5.3 Walking and Cycling of the Southwark Plan 2007.

17. Prior to the commencement of any above grade works (excluding demolition), details of the biodiversity (green/brown) roof(s) shall be submitted to and approved in writing by the Local Planning Authority. The biodiversity (green/brown) roof(s) shall be:

- * biodiversity based with extensive substrate base (depth 80-150mm);
- * laid out in accordance with agreed plans; and
- * planted/seeded with an agreed mix of species within the first planting season following the practical completion of the building works (focused on wildflower planting, and no more than a maximum of 25% sedum coverage).

The biodiversity (green/brown) roof shall not be used as an amenity or sitting out space of any kind whatsoever and shall only be used in the case of essential maintenance or repair or escape in case of emergency. The biodiversity roof(s) shall be carried out strictly in accordance with the details so approved and shall be maintained as such thereafter. Discharge of this condition will be granted on receiving the details of the green/brown roof(s) and Southwark Council agreeing the submitted plans. A post completion assessment will be required to confirm the roof has been constructed to the agreed specification.

Reason:

To ensure the development provides the maximum possible provision towards creation of habitats and valuable areas for biodiversity in accordance with: Policies G1 (Green Infrastructure) and G5 (Urban Greening) and of the London Plan 2021; Strategic Policy 11 (Design and Conservation) of the Core Strategy 2011, and; Saved Policy 3.28 (Biodiversity) of the Southwark Plan 2007.

18. Prior to the commencement of any above grade works (excluding demolition), the applicant shall submit written confirmation from the appointed building control body that the specifications for each dwelling identified in the detailed construction plans meet the standard of the

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

Approved Document M of the Building Regulations (2015) required in the schedule below and as corresponding to the approved floor plans. The development shall be carried out in accordance with the details thereby approved by the appointed building control body.

M4 (Category 3) 'wheelchair user dwellings':- at least 10%

M4 (Category 2) 'accessible and adaptable':- remaining units

Reason:

In order to ensure the development complies with Core Strategy 2011 Strategic Policy 5 (Providing new homes) and London Plan 2021 Policy D7 (Accessible Housing).

19. Prior to the commencement of any above grade works (excluding demolition), full particulars of the sprinkler system to be used within the ground floor units, residential dwellings and student accommodation, shall be submitted to and approved by the Local Planning Authority. The development shall not be carried out otherwise than in accordance with any approval given.

Reason:

To ensure that there is an adequate level of fire safety within this mixed use development.

20. Prior to the commencement of any above grade works (excluding demolition), details of the specification of glass with an appropriate reflectivity, demonstrating that levels of glare would be reduced to a tolerable level at all times, to be used in the carrying out of this permission shall be submitted to and approved by the Local Planning Authority. The development shall not be carried out otherwise than in accordance with any such approval given.

Reason:

To ensure that occupiers of neighbouring premises or the surrounding public realm do not suffer a loss of amenity by reason of harmful glare in accordance with the National Planning Policy Framework 2019, Strategic Policy 13 High Environmental Standards of the Core Strategy 2011 and Saved Policy 3.2 Protection of Amenity of the Southwark Plan 2007.

21. Prior to the fit out of any of the commercial premises, an independently

verified BREEAM report (detailing performance in each category, overall score, BREEAM rating and a BREEAM certificate of building performance) to achieve a minimum 'Excellent' rating shall be submitted to and approved in writing by the Local Planning Authority and the development shall not be carried out otherwise than in accordance with any such approval given. Before the first occupation of the building hereby permitted, a certified Post Construction Review (or other verification process agreed with the local planning authority) shall be submitted to and approved in writing by the Local Planning Authority, confirming that the agreed standards at (a) have been met.

Reason:

To ensure the proposal complies with The National Planning Policy Framework 2019, Strategic Policy 13 - High Environmental Standards of The Core Strategy 2011 and Saved Policies 3.3 Sustainability and 3.4 Energy Efficiency of the Southwark Plan 2007.

22. Before any above grade work hereby authorised begins, a detailed method statement for the removal or long-term management /eradication of Japanese Knotweed on the site shall be submitted to and approved in writing by the local planning authority. The method statement shall include proposed measures to prevent the spread of Japanese Knotweed during any operations such as mowing, strimming or soil movement. It shall also contain measures to ensure that any soils brought to the site are free of the seeds / root / stem of any invasive plant covered under the Wildlife and Countryside Act 1981. Development shall proceed in accordance with the approved method statement.

Reasons: Japanese Knotweed is an invasive plant, the spread of which is prohibited under the Wildlife and Countryside Act 1981. Without measures to prevent its spread as a result of the development there would be the risk of an offence being committed and avoidable harm to the environment occurring.

23. Prior to the commencement of any landscaping works, detailed drawings of a hard and soft landscaping scheme showing the treatment of all parts of the site not covered by buildings (including cross sections, surfacing materials of any access, terraces, or pathways layouts, materials and edge details), shall be submitted to and approved in writing by the Local Planning Authority. The landscaping shall not be carried out otherwise than in accordance with any such approval given and shall be retained for the

DECISION NOTICE

www.southwark.gov.uk

duration of the use. The planting, seeding and/or turfing shall be carried out in the first planting season following completion of building works and any trees or shrubs that is found to be dead, dying, severely damaged or diseased within five years of the completion of the building works OR five years of the carrying out of the landscaping scheme (whichever is later), shall be replaced in the next planting season by specimens of the same size and species in the first suitable planting season. Planting shall comply to BS: 4428 Code of practice for general landscaping operations, BS: 5837 (2012) Trees in relation to demolition, design and construction and BS 7370-4:1993 Grounds maintenance Recommendations for maintenance of soft landscape (other than amenity turf).

Reason:

So that the Council may be satisfied with the details of the landscaping scheme in accordance with The National Planning Policy Framework 2019 Chapters 8, 12, 15 & 16 and policies of The Core Strategy 2011: SP11 Open spaces and wildlife; SP12 Design and conservation; SP13 High environmental standards, and Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design and Policy 3.28 Biodiversity.

24. Before any work above grade hereby approved begins (excluding demolition), full particulars shall be submitted to and approved by the Local Planning Authority of a scheme showing that the parts of the commercial floorspace to be used for light industrial purposes will be fitted-out to an appropriate level for light industrial use. The particulars referred to in the preceding sentence shall include details of the mechanical and electrical fit-out of the units, heating and cooling provision, sprinklers, and the provision of kitchen and toilet facilities and notwithstanding all permitted development rights shall remain in light industrial use. The facilities approved shall be installed unless otherwise agreed in writing, and practical completion of the light industrial fit out for each phase shall be at the same time, or before the practical completion of the residential component of the same phase.

Reason:

In granting this permission the Local Planning Authority has had regard to the special circumstances of this case in accordance with Strategic Policy 1.2 Strategic and local preferred industrial locations of The Core Strategy 2011 and Saved Policy 3.2 Protection of Amenity of the Southwark Plan 2007 and the National Planning Policy Framework 2019.

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Permission is subject to the following Pre-Occupation Condition(s)

25. Before the first occupation of the building hereby permitted, a fire statement/strategy shall be submitted to and approved in writing by the Local Planning Authority detailing means of escape from the residential flats, including routes through the planned layouts, as well as routes from the communal space at podium level and the commercial spaces at ground floor and intermediate floor levels

Reason:

In order to ensure that the proposed development complies with the requirements of the London Fire Brigade and Policy D12 Fire Safety of the London Plan 2021

26. Before the first occupation of the building hereby permitted, a revised sustainability strategy shall be submitted to and approved in writing by the Local Planning Authority detailing water efficiency measures to be implemented in the development.

Reason:

In order to ensure that the proposed development complies with the requirements of Policy 5I 5 of the London Plan 2021

27. Before the first occupation of the building hereby permitted, details of the arrangements for the storing of domestic and commercial refuse shall be submitted to and approved in writing by the Local Planning Authority and the facilities approved shall be provided and made available for use by the occupiers. The facilities shall thereafter be retained and shall not be used or the space used for any other purpose.

Reason:

To ensure that the refuse will be appropriately stored within the site thereby protecting the amenity of the site and the area in general from litter, odour and potential vermin/pest nuisance in accordance with The National Planning Policy Framework 2019, Strategic Policy 13 High Environmental Standards of the Core Strategy 2011 and Saved Policies 3.2 Protection of

Amenity and Policy 3.7 Waste Reduction of The Southwark Plan 2007

28. Before the first occupation of the building hereby permitted, a landscape management plan, including long-term design objectives, management responsibilities and maintenance schedules for all landscaped areas (except privately owned domestic gardens), shall be submitted to an approved in writing by the Local Planning Authority. The landscape management plan shall be carried out as approved and any subsequent variations shall be agreed in writing by the local planning authority.

Reason:

This condition is necessary to ensure the protection of wildlife and supporting habitat and secure opportunities for the enhancement of the nature conservation value of the site. This is a mandatory criterion of BREEAM (LE5) to monitor long term impact on biodiversity, a requirement is to produce a Landscape and Habitat Management Plan.

29. No properties shall be occupied until confirmation has been provided that either:- all water network upgrades required to accommodate the additional flows to serve the development have been completed; or - a housing and infrastructure phasing plan has been agreed with Thames Water to allow additional properties to be occupied. Where a housing and infrastructure phasing plan is agreed no occupation shall take place other than in accordance with the agreed housing and infrastructure phasing plan.

Reason: The development may lead to no / low water pressure and network reinforcement works are anticipated to be necessary to ensure that sufficient capacity is made available to accommodate additional demand anticipated from the new development

30. Before the first occupation of the development hereby permitted, the applicant shall submit details of all the play spaces proposed and details of the play equipment to be installed on the site, including 1:50 scale detailed drawings for approval by the Local Planning Authority. The development shall not be carried out otherwise than in accordance with any such approval given and retained as such. The play equipment shall be provided in accordance with the details thereby approved prior to the occupation of the residential units. All play space and communal amenity space within the development shall be available to all residential occupiers of the development in perpetuity.

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

Reason:

In order that the Council may be satisfied with the details of the play strategy, in accordance with The National Planning Policy Framework 2019 Parts 5, 8, and 12, London Plan 2021 Policy S4 Play and informal recreation; policies SP11 Open spaces and wildlife and SP12 Design and conservation of The Core Strategy 2011 and the following Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design; and 4.2 Quality of residential accommodation

31. As the site is at residual risk from the River Thames, a stand alone Flood Warning and Emergency Evacuation Plan should be submitted to Southwark's Emergency Planning department for their approval prior to occupation of the site. The plan should state how occupants will be made aware that they can sign up to the Environment Agency Flood Warning services, and of the plan itself. It should also provide details of how residents should respond in the event that they receive a flood warning, or become aware of a flood.

Reason: To minimise the risk of flooding in accordance with the Southwark Strategic Flood Risk Assessment (2017)

Permission is subject to the following Compliance Condition(s)

32. No roof plant, equipment or other structures, other than as shown on the plans hereby approved or approved pursuant to a condition of this permission, shall be placed on the roof or be permitted to project above the roofline of any part of the building[s] as shown on elevational drawings or shall be permitted to extend outside of the roof plant enclosure[s] of any building[s] hereby permitted.

Reason:

In order to ensure that no additional plant is placed on the roof of the building in the interest of the appearance and design of the building and the visual amenity of the area in accordance with The National Planning Policy Framework 2019, Strategic Policy 12 - Design and Conservation of The

www.southwark.gov.uk

Core Strategy 2011 and Saved Policies 3.2 Protection of Amenity and 3.13 Urban Design of the Southwark Plan 2007.

33. The dwellings hereby permitted shall be designed to ensure that the following internal noise levels are not exceeded due to environmental noise:
Bedrooms - 35dB LAeq T†, 30 dB L Aeq T*, 45dB LAFmax T *
Living and Dining rooms- 35dB LAeq T †
* - Night-time - 8 hours between 23:00-07:00
† - Daytime - 16 hours between 07:00-23:00
Following completion of the development and prior to occupation, a validation test shall be carried out on a relevant sample of premises. The results shall be submitted to the LPA for approval in writing. The approved scheme shall be implemented and permanently maintained thereafter.

Reason

To ensure that the occupiers and users of the development do not suffer a loss of amenity by reason of excess noise from environmental and transportation sources in accordance with strategic policy 13 'High environmental standards' of the Core Strategy (2011) saved policies 3.2 'Protection of amenity' and 4.2 'Quality of residential accommodation' of the Southwark Plan (2007), and the National Planning Policy Framework 2019.

34. The Rated sound level from any plant, together with any associated ducting, shall not exceed the Background sound level (LA90 15min) at the nearest noise sensitive premises. Furthermore, the Specific plant sound level shall be 10dB(A) or more below the background sound level in this location. For the purposes of this condition the Background, Rating and Specific Sound levels shall be calculated fully in accordance with the methodology of BS4142:2014+A1:2019.
A validation test shall be carried out and the results submitted to the Local Planning Authority for approval in writing to demonstrate compliance with the above standard. Once approved the plant and any acoustic treatments shall be permanently maintained thereafter.

Reason

To ensure that occupiers of neighbouring premises do not suffer a loss of amenity by reason of noise nuisance or the local environment from noise creep due to plant and machinery in accordance with the National Planning Policy Framework 2019, Strategic Policy 13 High Environmental Standards of the Core Strategy 2011 and Saved Policy 3.2 Protection of Amenity of

DECISION NOTICE

LBS Registered Number: 20/AP/1329

the Southwark Plan (2007).

35. Party walls, floors and ceilings between the commercial premises and residential dwellings shall be designed to achieve a minimum weighted standardized level difference of 60dB DnTw+Ctr. Pre-occupation testing of the separating partition shall be undertaken for airborne sound insulation in accordance with the methodology of ISO 16283-1:2014. Details of the specification of the partition together with full results of the sound transmission testing shall be submitted to the Local Planning Authority for written approval prior to the use commencing and once approved the partition shall be permanently maintained thereafter.

Reason

To ensure that the occupiers and users of the proposed development do not suffer a loss of amenity by reason of noise nuisance and other excess noise from activities within the commercial premises accordance with strategic policy 13 'High environmental standards' of the Core Strategy (2011), saved Policy 3.2 Protection of Amenity of the Southwark Plan (2007) and the National Planning Policy Framework 2019.

36. No piling shall take place until a piling method statement (detailing the depth and type of piling to be undertaken and the methodology by which such piling will be carried out, including measures to prevent and minimise the potential for damage to subsurface water infrastructure, and the programme for the works) has been submitted to and approved in writing by the local planning authority in consultation with Thames Water. Any piling must be undertaken in accordance with the terms of the approved piling method statement.

Reason:

The proposed works will be in close proximity to underground water utility infrastructure. Piling has the potential to impact on local underground water utility infrastructure.

37. Any deliveries, unloading and loading to the commercial units shall only be between the following hours:
08.00 to 20.00hrs on Monday to Saturdays; and
10.00 to 16.00hrs on Sundays and Bank Holidays.

Reason:

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision:
13/05/2021

www.southwark.gov.uk

To ensure that and occupiers of the development and occupiers of neighbouring premises do not suffer a loss of amenity by reason of noise nuisance in accordance with The National Planning Policy Framework 2019, Strategic Policy 13 High Environmental Standards of the Core Strategy 2011 and Saved Policies 3.2 Protection of Amenity of The Southwark Plan 2007.

38. The commercial units (for light industrial use) shall not be used except during the hours of 07.00 - 23.00 on any day.

Reason:

To ensure that the occupiers and users of the proposed development do not suffer a loss of amenity by reason of noise nuisance and other excess noise from activities within the commercial premises accordance with strategic policy 13 'High environmental standards' of the Core Strategy (2011), saved Policy 3.2 Protection of Amenity of the Southwark Plan (2007) and the National Planning Policy Framework 2019.

39. Whilst the principles and installation of sustainable drainage schemes are to be encouraged, no drainage systems for the infiltration of surface water drainage into the ground are permitted other than with the express written consent of the Local Planning Authority, which may be given for those parts of the site where it has been demonstrated that there is no resultant unacceptable risk to controlled waters. The development shall be carried out in accordance with the approval details.

Reason:

To ensure that the development does not contribute to, and is not put at unacceptable risk from or adversely affected by, unacceptable levels of water pollution caused by mobilised contaminants. This is in line with the National Planning Policy Framework (NPPF) (Paragraph 170). Infiltrating water has the potential to cause remobilisation of contaminants present in shallow soil/made ground which could ultimately cause pollution of groundwater.

40. The development hereby permitted shall be constructed to include the energy efficiency measures stated in the Energy Strategy Revision 4 prepared by JAW dated April 2020 and submitted in support of the application. All measures and technologies shall remain for as long as the development is occupied, unless otherwise agreed in writing with the Local

Planning Authority.

Reason:

To ensure the development complies with the National Planning Policy Framework 2019, Strategic Policy 13 High Environmental Standards of the Core Strategy and Policy S1 2 Minimising greenhouse gas emissions of the London Plan 2021..

41. Notwithstanding the provisions of the Town and Country Planning (Use Classes) Order 1987 and any associated provisions of the Town and Country Planning General Permitted Development Order 2015 (including any future amendment or enactment of those Orders), the light industrial use hereby permitted shall be Class E (g) (iii) light industrial processes and no other use as detailed in the plans 3019_GA-SP-L00 REV P10 - GENERAL ARRANGEMENT - GROUND FLOOR; 3019_GA-SP-L01 REV P10 - GENERAL ARRANGEMENT - FIRST FLOOR; 3019_GA-P-A-L00 REV P10 - CORE A - GROUND FLOOR PLAN; 3019_GA-P-A-L01 REV P10 - CORE A -FIRST FLOOR PLAN; 3019_GA-P-B-L00 REV P10 - CORE B - GROUND FLOOR PLAN; 3019_GA-P-B-L01 REV P10 - CORE B - FIRST FLOOR PLAN

Reason:

In granting this permission the Local Planning Authority has had regard to the special circumstances of this case in accordance with Strategic Policy 1.2 Strategic and local preferred industrial locations of The Core Strategy 2011 and Saved Policy 3.2 Protection of Amenity of the Southwark Plan 2007 and the National Planning Policy Framework 2019.

42. The applicant shall submit details of 3 (three) disabled car parking spaces, which must be equipped with electric vehicle charging points for approval by the Local Planning Authority. The development shall not be carried out otherwise than in accordance with any such approval given and retained as such.

Reason:

In order to ensure that satisfactory disabled parking facilities are provided and retained with the development in accordance with The National Planning Policy Framework 2019, Strategic Policy 2 - Sustainable Transport of The Core Strategy 2011 and Saved Policy 5.2 Transport

Informative Notes to Applicant Relating to the Proposed Development

1. Lighting used in the proposed development should, where possible during the construction and operation phases of the development, be designed to avoid impacting the railway embankments and bridges to the east of the site in order to minimise disturbance to bats which may opportunistically use these linear features for commuting to foraging habitat in the wider area. Sensitive lighting could include installation of bollard lighting, use of warm-white LED lighting, directional installation of lighting, installation of recessed external lighting, and as a last resort installation of hoods and cowls on lamps

Important Notes Relating to the Council's Decision

1. Conditions

- If permission has been granted you will see that it may be subject to a number of planning conditions. They are an integral part of our decision on your application and are important because they describe how we require you to carry out the approved work or operate the premises. It is YOUR responsibility to comply fully with them. Please pay particular attention to those conditions which have to be met before work commences, such as obtaining approval for the siting and levels of buildings and the protection of trees on the site. If you do not comply with all the conditions in full this may invalidate the permission.
- Further information about how to comply with planning conditions can be found at:

https://www.planningportal.co.uk/info/200126/applications/60/consent_types/12

- Please note that there is a right of appeal against a planning condition. Further information can be found at:

https://www.planningportal.co.uk/info/200207/appeals/108/types_of_appeal

2. Community Infrastructure Levy (CIL) Information

- If your development has been identified as being liable for CIL you need to email [Form 1: CIL Additional Information](#), [Form 2: Assumption of Liability](#) and [Form 6: Commencement Notice](#) to cil.s106@southwark.gov.uk as soon as possible, so that you can be issued with a Liability Notice. This should be done at least a day before commencement of the approved development.
- **Payment of the CIL charge is mandatory and the CIL Regulations comprises a range of enforcement powers and penalties for failure to following correct procedures to pay, including stop notices, surcharges, late payment interests and prison terms.**
- To identify whether your development is CIL liable, and further details about CIL including eligibility and procedures for any CIL relief claims, please see the Government's CIL guidance:

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision: 13/05/2021

www.southwark.gov.uk

<https://www.gov.uk/guidance/community-infrastructure-levy>

- All CIL Forms are available to download from Planning Portal:

https://www.planningportal.co.uk/info/200136/policy_and_legislation/70/community_infrastructure_levy/5

- Completed forms and any CIL enquiries should be submitted to cil.s106@southwark.gov.uk

3. National Planning Policy Framework

- In dealing with this application we have implemented the requirements in the National Planning Policy Framework to work with the applicant/agent in a positive, proactive and creative way by offering a pre-application advice service; as appropriate updating applicants/agents of any issues that may arise in the processing of their application and where possible and if applicable suggesting solutions to secure a successful outcome. We have considered the application in light of our statutory policies in our development plan as set out in the officer's report.

4. Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If an enforcement notice is or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: **28 days** of the date of service of the enforcement notice, OR within **6 months** (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory

DECISION NOTICE

LBS Registered Number: 20/AP/1329

Date of issue of this decision: 13/05/2021

www.southwark.gov.uk

requirements, to the provisions of any development order and to any directions given under a development order.

- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal.
- Further details are on GOV.UK (<https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>).

5. Purchase Notice

- If either the local planning authority or the Secretary of State grants permission subject to conditions, the owner may claim that the land can neither be put to a reasonably beneficial use in its existing state nor made capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances the owner may serve a purchase notice on the Council requiring the Council to purchase the owner's interest in the land in accordance with Part VI of the Town and Country Planning Act 1990

6. Provisions for the Benefit of the Disabled

- Applicants are reminded that account needs to be taken of the statutory requirements of the Disability Discrimination Act 1995 to provide access and facilities for disabled people where planning permission is granted for any development which provides:
 - i. Buildings or premises to which the public are to be admitted whether on payment or otherwise. [Part III of the Act].
 - ii. Premises in which people are employed to work as covered by the Health and Safety etc At Work Act 1974 and the Management of Health and Safety at Work Regulations as amended 1999. [Part II of the Act].
 - iii. Premises to be used as a university, university college or college, school or hall of a university, or intended as an institution under the terms of the Further and Higher Education Act 1992. [Part IV of the Act].
- Attention is also drawn to British Standard 8300:2001 Disability Access, Access for disabled people to schools buildings – a management and design guide. Building Bulletin 91 (DfEE 99) and Approved Document M (Access

to and use of buildings) of the Building Regulations 2000 or any such prescribed replacement.

7. Other Approvals Required Prior to the Implementation of this Permission.

- The granting of approval of a reserved matter or outstanding matter does not relieve developers of the necessity for complying with any Local Acts, regulations, building by-laws and general statutory provisions in force in the area, or allow them to modify or affect any personal or restrictive covenants, easements, etc., applying to or affecting either the land to which the permission relates or any other land or the rights of any persons or authorities (including the London Borough of Southwark) entitled to the benefits thereof or holding an interest in the property concerned in the development permitted or in any adjoining property. In this connection applicants are advised to consult the council's Highway Maintenance section [tel. 020-7525-2000] about any proposed works to, above or under any road, footway or forecourt.

8. Works Affecting the Public Highway

- You are advised to consult the council's Highway Maintenance section [tel. 020-7525-2000] about any proposed works to, above or under any road, footway or forecourt.

9. The Dulwich Estate Scheme of Management

- Development of sites within the area covered by the Scheme of Management may also require the permission of the Dulwich Estate. If your property is in the Dulwich area with a post code of SE19, 21, 22, 24 or 26 you are advised to consult the Estates Governors', The Old College, Gallery Road SE21 7AE [tel: 020-8299-1000].

10. Building Regulations.

- You are advised to consult Southwark Building Control at the earliest possible moment to ascertain whether your proposal will require consent under the Building Act 1984 [as amended], Building Regulations 2000 [as amended], the London Building Acts or other statutes. A Building Control officer will advise as to the submission of any necessary applications, [tel. call centre number 0845 600 1285].

11. The Party Wall Etc. Act 1996.

- You are advised that you must notify all affected neighbours of work to an existing wall or floor/ceiling shared with another property, a new building on a

DECISION NOTICE
